

## **LEWES BPW UPDATES – FEBRUARY 2018**

### **Holiday Closings**

Monday, February 19, 2018 – President's Day

If you should have an electric or water utility emergency, please contact the On Call Service Center at 302-645-6228.

### **General Information**

4:00 p.m. – Wednesday, February 28, 2018 – Regular Board Meeting – City Hall

### **Electric Department**

Over the next few weeks the Electric Department will be changing out the transformers in Cape Shores.

### **Water / Sewer Department**

The Water Department must always have access to the Water Meters. Please refrain from planting flowers, trees or shrubs six feet in front or around hydrants and meter pits. This is a precaution for when there is a water leak emergency to locate the meter in a timely manner or if we do not get an accurate reading.

### **Front Street Project**

Teal Construction will be finished repaving the 1812 parking lot by this weekend. It will be accessible for parking for foot traffic to the Post Office and other Front Street businesses. A new water main is being laid on the canal side of Front Street. When that is completed, the sewer mains will then be installed. Please anticipate detours around the work site, as it will be in place for the next two months.

### **Gills Neck Road**

The water works will be completed by the middle of next week. At its conclusion, the renewal of the existing gravity sewer will continue from near the Dogfish Inn and move towards Schley Avenue. All local traffic will be accommodated; however, detours will be in place and avoidance of the area will assist in the speedy conclusion of the project.

### **Trash and Yard Waste**

Trash and Yard Waste are handled by the **City of Lewes** ... please contact them at 302-645-7777.
